TBR016EU | Targus 16 inch / 40.6cm Transit Roller

The Targus Transit range offers a unique style in a highly functional design. It's innovative shape and two tone colour make it elegant for today's business people on the move. This roller case protects your computer in a high-density padded computer section with and additional storage for your I Pad / Tablet computer with security strap. Features include: A very large overnight clothes section with 2 additional mesh pockets for personal essentials. A front zipped workstation for easy access to items you need most:- Smart phones, cables, earphones, power packs and business cards.

A quick access deep zipped front pocket for your passport, wallet or purse. A durable water resistant base, ultra strong alloy wheels and an easy pull up trolley handle cope with bumps and ridges in paths and pavements to deliver maximum performance and durability. Four sturdy feet make sure the case does not fall over when fully loaded. Made from lightweight materials and with an ultra-comfort handle, it's a must for organization, durability, style and for modern business life when travelling for overnight trips.
